

UNIVERSITAS PADJADJARAN

Graduate Programs

ABOUT UNPAD.

Unpad (Unpad) is one of the Top 10 Universities in Indonesia (QS World University Rankings 2020) located in West Java.

Unpad offers a wide range of learning opportunities with renowned professors from multifarious expertises. At Unpad, not only you will be equipped with the latest knowledge to keep you relevant and globally competitive, you will also develop lifelong skills that will be beneficial for your future career.

As one of the largest universities in Indonesia, Unpad (Unpad) dedicates itself to promoting science, technology, health, economy, law, culture, arts, and social welfare.

Vision.

Achieving a world-reputable university that gives impacts on society.

To create academic excellence and gain international recognition;

To increase the relevance and innovations in education, research, and community service;

To obtain independence by capitalizing internal resources and strategic partnerships;

To advance Unpad's contributions to solving various issues that impact the welfare of people in West Java and Indonesia;

To build leadership character by enforcing collectivity, professionalism and integrity in managing the sustainability of the university.

Mission.

Campuses.

The main campus of Unpad is located in Jatinangor, Sumedang Regency while the Dipati Ukur campus in Bandung is mainly dedicated for postgraduate programs.

Core Values.

Education in all forms; growth experiences; students learn from students; personal development; transformation	Internationalism, intercultural awareness and communication, diversity, and respect for other people and cultures	Tolerance, open-mindedness, and forward-thinking
Innovation, creativity, and flexibility	Professionalism, competence, and a strong work ethic	Teamwork, inclusiveness, mutual respect, and community
Passion and integrity in all university works	Implementation of Unpad's vision: to be a world-class research university	Active networking with university associations, partners, and government institutions

World Class University.

In order to give significant contributions to the nation and the world, Unpad sets its vision to be a world-reputable university that gives impacts on society. Since its establishment in 1957, Unpad has partnered with many international universities to share knowledge and promote intercultural learning, ensuring its graduates are in high demand on the global stage.

SCHOLARSHIP

Unpad has many scholarships that can facilitate you to continue your studies in Masters and Doctoral Programs.

For more information, please visit

<https://international.unpad.ac.id/>

The target applicants for LPDP and BRIN scholarships are Indonesian citizens who meet the requirements, wish to carry out further studies in the Masters program or Doctoral program, and have a post-study contribution plan for the progress of Indonesia.

For foreign students, Unpad provides several scholarship schemes for eligible participants or can be applied to the KNB Scholarship

TIMELINE

Selection to enter the Graduate Program in one year is divided into two waves of registration. The first batch is open from February – August for odd semester registrations and the second batch is open from September – January for even semester registrations. In each wave, three selection sessions are conducted with the following details:

Batch 1 (odd semester)

February	→	Registration opening announcement
July	→	Selection
August	→	Start Study

Batch 2 (even semester)

September	→	Registration opening announcement
November	→	Selection
January	→	Start Study
